

Introducing New Authorized Product Lines of **IBS Electronics**

IDC/hi density connectors, Flat cable, Headers, Sockets, Shunts

NTC thermistors, PTC thermistors, In rush current surge limiters

BCE sud : Leaded ceramic capacitors,
SMD multilayer ceramic chip capacitors, Film capacitors, Film capacitors

Diodes, Rectifiers, Transistors, Schottky diodes

Ceramic chip capacitors, Cesiostors, Inductors, Tantalums

Telecom transformers: Surface mount & standard

Fenghua: Multilayer ceramic capacitors, Aluminum electrolytic capacitors,
Thick film resistors, Zinc oxide varistors, HV disc ceramic capacitors,
Chip inductor, Chip bead, Humidity sensor

Inductors, SMDs, chokes, Coils, Ferrite beads

Harting: IDC/DIN/SCSI, II/III, VME-64/D-sub/2mm hard metric, Connectors

Wirewound resistors, Fusible resistors, SMD resistors, Current sense resistors

Opto switches, Isolators & couplers, Solid state relays

Panjit : Transient voltage suppressors (TVS), TVS/ESD arrays,
Small signal switching diodes, Small signal bipolar junction transistors,
Small signal schottky diodes, Small signal junction field-effect transistors,
Zener diodes, Schottky barrier rectifiers, General purpose rectifiers

EMC Filters, Inductive Components, PLC Products, RFID Components,
Custom inductors and transformers.

High speed integrated circuits: GHz logic, I/O translators

Samtec: SMT/micro interconnects, high speed connectors, terminal strips

Resistors, Power resistors, Surface mount resistors
